**BISON**

**RAISED THE WAY NATURE INTENDED**

NO GROWTH HORMONES,  
STIMULANTS OR ANTIBIOTICS

Carmen Creek bison are raised by highly skilled ranchers carefully selected for their commitment to humane animal care and environmental stewardship.

**BISON PETITE TENDER**

**Bison Petite Tender:** Petite Tenders are found as part of the shoulder clod located in the chuck.

**Recommended Prep:** Low and slow, as this cut cooks quickly and yields a great flavour.

**Features:** Not as highly marbled as other cuts, so it cooks faster and is a leaner option. No growth hormones – raised naturally.

**Serving Suggestions:** Best prepared by grilling or roasting.
