BISON RIBEYE LIP ON

Bison Ribeye: Carmen Creek Bison Ribeye has long held the reputation of being the most marbled of all the steak classics. Often described as extremely juicy and flavorful with a rich finish.

Recommended Prep: Roasting or grilling.

Features: All Carmen Creek Ribeyes are cut in half and cryovaced. This allows a chef to slack out smaller portions to reduce waste. Lean. No growth hormones – raised naturally.

Serving Suggestions: Perfect with a simple seasoning or dressed up in more innovative ways. Roasts and steaks.
