**BISON STRIPLAIN 0x1**

**Bison Striploin:** Carmen Creek Bison Striploin, or New York Strip is one of the foodservice industry's top selling cuts.

**Recommended Prep:** Usually cooked with dry heat, however you may want to try poaching, an alternate cooking technique. Slow roasting works very well.

**Features:** Lean. No growth hormones – raised naturally.

**Serving Suggestions:** Leaner than prime rib so it could be offered at a high end buffet table as a lower fat alternative or sliced for individual plate service.
